## RSVP Cupids Aim for London

**Already established within the Heart of England, RSVP Introductions are launching their successful dating and introductions service into London.**

With immediate effect RSVP Introductions will operate within the SE, SW, W, NW, N, E, EC, WC postcodes. Having gained outstanding results in successful matchmaking over the last 15 years across the Heart of England and the northern Home Counties, RSVP Introductions are celebrating their entry onto the London dating scene by offering a once in a lifetime opportunity.

The first 100 members to join their Gold Membership in Central London will get a half price one-off registration fee AND half price monthly service fee for 6 months. This is an absolutely never to be repeated offer and is strictly first come, first served. Similar discounts apply to their Platinum and Platinum Plus service.

### Hand picked one-to-one introductions

RSVP's specially-trained client advisers take the care to meet every prospective member, so you can be sure that anyone they introduce you to is of the standard you'll expect. The profiles they present are accurate and insightful. Plus they insist on proof of identity, so it's safe dating: fun and blissfully free of internet fibs.

### Events

What makes RSVP pretty much unique amongst introduction agencies is their combination of hand-matched introductions with wonderful singles events, where people can meet in a relaxed environment without the pressure of a one-to-one meeting. These superb events are a world away from the harsh anonymity of internet dating. RSVP currently run up to 50 events across the Heart of England every month. They range from cosy Sunday lunches to adrenalin-fuelled activity days, from relaxed country walks to stylish dances. Over time, RSVP are looking to extend events into London and a few exciting ones are already planned.

### London Life

Owner of RSVP Introductions, Anne Stringer, is a city girl at heart. She lived and worked in London for many years before taking over RSVP Introductions and knows first hand how hard it can be to meet the right person in London. So who better to help you find love than someone who completely understands your situation?

### NOTES TO EDITORS

RSVP Introductions was established in 1992 and is owned today by husband and wife team Anne and Roland Stringer. They aim to provide single, professional people with everything they need to find themselves a happy, loving relationship. As well as introductions, RSVP also provide other tools to increase their members' chances: social events, personal development workshops, life coaching and more. RSVP Introductions currently operate in the following counties: -
